

HANDSOME, SPACIOUS WARDROBES

A FAMILY SIZE "REDI-BILT" WARDROBE—This good-looking wardrobe will hold about twenty garments without fear of crushing. It will help to protect clothes from dust and keep them as neat as when you first stored them away. It is well constructed of heavy cardboard and reinforced with sturdy wooden supports to give added strength and durability. Notice the convenient mirror located at the top of centre panel. Modern plastic fastenings add to its general smart appearance. A distinctive wardrobe such as this, tastefully decorated with a pleasing design, should add considerably to the appearance of your bedroom, or any other part of the home in which you may wish to locate it. The following measurements give you its generous size—about 65 ins. by 40 ins. by 21 ins. deep. Shipped flat, with instructions included for quick, easy assembling.

B STURDEE WARDROBE—Its attractive style and roomy interior make the Sturdee Wardrobe a popular addition to many homes. Made of firm corrugated cardboard, it features a pleasing stained wood trim which tends to harmonize with most room furnishings. The two sliding doors, one of which may be pushed up, the other down, provide convenient opening and closing. The sturdy wooden hanger bar is capable of supporting up to ten garments, with ample space assured to avoid crushing. There is plenty of room to keep shoes neatly tucked away in the bottom of your Sturdee Wardrobe. Compare the generous proportions with its neat, compact appearance and you should realize how the Sturdee may well solve your storage problems. It measures about 59 ins. by 23 ins. by 20 ins. deep. Shipped flat, easy instructions for assembling are included.
